

January

Dear Taos Academy Families,

Happy New Year to all! We hope everyone had a restful break and enjoyed time with family and friends. Thank you for your generosity in contributing to our Staff Appreciation fund - TA staff enjoyed a wonderful evening meal together at the Sagebrush Inn. What a nice way for us to celebrate a successful first semester! Much thanks to Chef (and TA parent) Timothy Wooldridge and the rest of the staff at the Sagebrush for hosting our annual gathering and celebration.

We pride ourselves on working with students, families and our community to provide a high quality educational experience and to support our kids in their academics as well as their outside interests. Please take advantage of these opportunities such as our in-lab tutors, our **Math Lab**, the **Student Success Lab** (open daily from 8-12), and the many classes offered by local experts that integrate Science, Technology, Engineering and Math concepts into the **STEM+Arts**. The more engaged your student is, the more success they can experience here with us!

It was a pleasure to celebrate with our students as they completed their first semester classes. TA students took 709 Edgenuity core classes with an overall passing rate of 96%! Our students also posted a record number of A's and B's in their core classes. While Taos Academy students

did a great job in their digital curriculum, TA students also took UNM classes with a passing rate of 100% and over 500 elective classes. We are so proud of you all!

Taos Academy Honor Roll for Semester 1:

HONORS (GPA of 3.0 or higher):

Alvillar, Marisa
Aragon, Nuvia
Ballesteros, Jimena
Blakeley, Leela
Castillo, Jeremy
Cline, Sydney
Coontz, Kaitlin
Densmore, Zoe
DePuy, Noelle
Duchanois, Kai
Fernandez, Kayla
Filiss, Leah
Fitch, Kaelyn
Fox, River
Froeschle, Marcus

Haworth, Liam
Hillman, Livia
Jenkins, Coraline
Khalsa, Amritdev
Kiel, Shelby
LaMure, Oliver
Lewis, Isaiah
Lujan, Jacqueline
Maestas, Ariana
Martinez, McKayla
May, Tomas
Medina, Donovan
Miller, Skyelar Tallulah
Osborne, Rose
Pacheco, Destini

Quintana, Catalina
Rael, Elijah
Romero, Emily
Rosas, Analy
Ruiz, Sebastian
Ryan, Brytin
Stevenson, Makayla
Tafoya, LeeAndra
Uphoff, Dillan
Valdez, Joseph
Varela, Jeziel
Whitlock, Briason
Whitlock, Coltin

HIGH HONORS (GPA of 3.5 or higher):

Brown, Lacey
Corral, Josey
Cortopassi, Juniper
Edmonds, Julia
Edmonds, Ryan
Forsythe, Harmony
Froeschle, Noah
Gonzales, Angel
Griego, Maxamilian
Hennelly, Rowan

Kast, Berkeley
Kauffman, Zachary
LaMure, Zoie
Lewis, John
Montes, Luis
Montoya, Deidre
Naylor, Lucia
Nieto, Autumn
Nixon, Liana
Noble, Isis

Pacheco, Katharine
Rice, Azure
Robinson, Wren
Romero, Jaylene
Waggoner, Alexander
Weisfeld, Ilana
Wilhite, Joel
Wilson, Quinn

DIRECTOR'S HIGHEST HONORS (GPA of 3.8 or higher):

Aby, Hannah
Aby, Salome
Balsamo, Marion
Bilal, Najwa
Castillo, Christopher
Cisneros, Ernesto
Danemann, Roland
DeTullio, Uma

Duran, Jeremy
Ferrell, Sage
Foley, Milan
Ford, Julianna
Gaydosh, Julia
Joseph, Orion
Kast, Nalia
Kelly, Kailey

MacDonald, Aidan
MacDonald, Nadia
Maeder, Bintoro
Mangum, Zoe
Marchasin, Bodhi
Martinez, Alexandra
Martinez, Ashley

Molz, Elliot
Montoya, Veronica
Moulton, Gennys
Oakeley, Rianna
Pacheco, Jade
Perez, Ximena

Rael, Alicia
Ratigan, Eden
Rojas-Grainger, Chloe
Romero, Alexis
Romero, Mikaela
Salmons, Madison

Sides, Samuel
Sides, Sawyer
Stewart-Jackson, Duncan
Torres, Callan
Trujillo, Cherise
Wooldridge, Timothy

We will have final transcripts ready by the start of next week, our first full week back. These will be sent home with your child, so be on the lookout...

TA is pleased to offer a new 21st Century Seminar class this coming semester! Called **MONEY MATTERS**, this 0.5 credit class is taught by our own math guru, Mr. Mike Musialowski. It is designed to help students apply the concepts they have learned throughout their math careers in real-world, everyday contexts and to help them make sense of the impact that finances can have on their own lives. Students will **design and play a game like "Monopoly"** and explore how **taxes, health-care costs, investments/debt, and financial crisis** affect their **discretionary income** and **money for retirement**. The class will be taught during the 2nd block (from 10:10-12 noon) on the TA campus on Tuesdays and Thursdays. And yes, it can count as part of your TA "lab" time if you are in College Link. So... earn elective credit, boost your mathematical thinking, and learn some real-life skills to help prepare you for life after graduation!

À

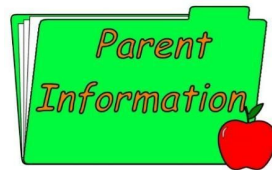

School Delays or Closings: Just a reminder that Taos Academy does not necessarily follow Taos Municipal school calendar or delays or closings. Please be sure to access our calendar online and watch for weather delays or closings on KOB news, KOAT.com and KRQE News as well as local radio. We also send out robo calls for delays or closings. Feel free as well to contact the school anytime to get the latest

Welcome To Our School

We would like to welcome our new students and parents. Please feel free to come in if you have questions or just want to shadow your child for the day to see what we do. We are here to help you and your child maximize educational potential. The learning curve for parents at TA is as steep as for the student. Again, know we are available to help with the transition to digital learning. We look forward to sharing the opportunities that parents have at TA to be an integral part of their child's educational success.

*** NEW STUDENT AND FAMILY ORIENTATION is scheduled for 9-11 am on Wednesday, January 9th in the Commons at TA. Please mark your calendars - see you there!

PARKING LOT REMINDERS: PLEASE STOP FOR PEDESTRIANS

- “ 7:45 to 8:00 drop off & 4:00 to 4:15 pick up in designated section **only**. **All traffic is one way and enters through the west and exits through the east.**
Drop Off turn left into the front drive along the sidewalk only. Pull up for others to come in behind you. Students may not walk across parking lots. No parking in front lanes. **SSL and STEM drop off in the back of the building only.**
- **Pick Up- 4:00 for all classes**
5th and 6th same as drop off in the front. Pull up and back into the sidewalk.
7th- Pick up at 4:00. Stay straight and continue to the back of the building to the end of the sidewalk. Pull up to cones
8th – Pick up at 4:00 Stay straight and continue to the back of the building along the sports field. Pull up to cones.
9th- same as drop off in the front. Pull up and back into the sidewalk.
10th 11th and 12th - Stay straight and continue to the back of the building to the end of the sidewalk. Pull up to cones.
- **STEM: Pick up at 4:00 along the sports field lane only.**
- **Parking:** Stay straight or turn right (west) into visitor parking. First day overflow and special events parking to the south and east of the building.
- “ Safe Zone is marked with orange cones for students to wait for parents. Students must be dropped off or picked up parallel along the sidewalk (safe area) ONLY. Move to the end of the sidewalk to allow others in behind you. Students may not **cross the sidewalk for any reason.** Traffic is one way, the outside lane is for flow only.
- “ All students must enter and exit through the front door unless escorted to back. Students may not cross the parking lot for any reason during drop off or pick up times.
- “ Student walkers/bike riders will be released at 4:10 to avoid conflict with traffic.

Please do not block traffic at any time on Paseo del Canon If the parking lot is full make a trip

around the block and you will be able to get in. To avoid all traffic issues in our parking lot, feel free to come at 4:05 to 4:15 and it will be clear. Kids love to have time to visit with friends.

Assessment Calendar: These assessments are mandatory for all TA students.

ACCESS2.0 Testing: Weeks of January 14 and January 21
Who: Identified Students in 7,8,9

Science Assessments: Week of 3/18, Makeups week of 3/25
Who: All 7th graders, All 11th graders

Assessment of Science Readiness Pilot: Week of 4/8/18
Who: All 8th graders

PARCC English and Math Assessments: Weeks of 4/22 and 4/29,
make-ups week of 5/6. **Who:** All students

End of Course Exams for Identified Students: End of 2nd Semester.
Who: 9th grade NM History, others for graduation requirements.

WINTER ACTIVITY DAYS: Winter Activity Days are the first days that students return to school! The days are marked on the school calendar- January 9th, 10th and 11th and February 9 (Sweet Slide Fundraiser). These are mandatory school days. Taos Academy will have staff members supervising each location. Students **MUST** check in and check out with a Taos Academy staff member each day to receive credit for the day.

If a student is going to Taos Ski Valley, meet in the TFK cafeteria in the base area of the ski valley by 9:00am to check in. Be sure to check out each day in TFK's so staff knows you are off the mountain. Transportation to and from Taos Ski Valley is the responsibility of the student and family.

If a student is going to TYFC, bowling, or Aura Fitness, they come to Taos Academy by 9am to work on Edgenuity. They will have lunch at 12pm at school and then be escorted from school to their activity at 1pm. All students must check out with staff if they are picked up at the venue. Students may be picked up at 3:30 from the venue or at Taos Academy at 4:00pm. Students attending High Altitude Fitness will check in the first day at 9am and then make a schedule with Mr. Cisneros.

Sweet Slide Fundraiser – The last day of the Winter Activity Program, Friday, February 8 is our annual Sweet Slide fundraiser. This is a ski/board-a-thon, bake sale, and skate/swim-a-thon event. Students gather pledges (IN ADVANCE OF THE EVENT) from their family and community for each ski run or lap around the skating rink or pool they will perform on that day. It is also possible to swim laps at TYFC for pledges. Pledge sheets are attached to this form and available at the front desk at school. There will be registration tables set up at Taos Ski Valley, and Taos Youth and Family Center for participants to sign up and receive a bib. Family members, friends, and community members may participate. There will also be a bake sale at Taos Ski Valley during the event. We need volunteers to help with counting skiers/snowboarders and skaters as well as to work the bake sale. Please contact Karin Moulton at kmoulton@taosacademy.org or Julian at jjcisneros@taosacademy.org to volunteer.

Our goal is to raise \$50 per student. All students are required to participate in the event - including College Link students and working students. Students may raise \$50 by either gathering pledges for laps, giving a donation, gathering donations from others (friends, businesses, relatives), or by selling \$50 of raffle tickets. Raffle tickets are available at the front desk. For the bake sale at Taos Ski Valley (TSV) - Baked goods may be brought to Taos Academy campus on Thursday, February 7th or to TSV on Friday, February 8th. Students need family support in gathering their pledges and getting the funds turned in at school. We are asking for 100% participation.

College Link - Students who are enrolled in Friday classes at UNM must bring in a UNM schedule to the front office in order to be excused. Participation in the Sweet Slide fundraiser is still expected. Please sell raffle tickets or donate \$50.

WE NEED HELP WORKING THESE EVENTS!!! If you want to volunteer for a two hour shift or ask a business to donate a prize for participants, please e-mail Ms. Moulton at kmoulton@taosacademy.org. Funds raised are used for ski scholarships and lessons, leadership days, STEM Institute classes, and student activities.

Light Lunch & Snack Program:

TECHnology Update:

Google has announced Family Link, a screen time and app management software for Chrome OS and Android OS. This new feature replaced the previous parental controls Google depreciated last year. Family Link is still in its “development” phase and there are serious limitations. However, this is a big focus area for Google and I expect more features to be rolled out over the course of 2019. To learn more about Family Link and to access setup guides, follow the link below:

- [How to Set Up and Use Family Link, Google's Parental Controls App - https://goo.gl/p1MNZs](https://goo.gl/p1MNZs)
- [Google Support: Family Link - https://goo.gl/2CyN1h](https://goo.gl/2CyN1h)

In addition to new parental controls from Google, starting a new year is a good time to refresh our positive technology habits in our modern world. Technology is truly a powerful tool, however, we need to stress important habits to our students through modeling. If technology is not used in moderation or

within appropriate boundaries, it can cause long lasting and harmful effects. Some recent research is provided with the findings about building these positive technology habits:

[American Academy of Pediatrics recommends about 10 hours of sleep per night for school age children](#)

[Screen time \(cell phones, computers, video games\) can be significant factors in getting adequate sleep](#)

[Close proximity of cell phones negatively impacts everyone's ability to focus and sustain attention](#)

[Social media has many positive aspects but, can also have a negative impact on a student's self worth](#)

If you prefer the summary of the studies, here are five key takeaways from the above research:

1. Cell phones and other technology (including video games) be turned off at least one hour before bedtime.
2. Cell phones and other technology be stored and charged outside of the bedroom.
3. Cell phones be placed in another room and turned to silent/do not disturb during homework or reading time.
4. Parents/guardians have all passwords for social media accounts and be logged into those accounts on their own devices.
5. All households have a "tech free time" policy where phones and devices are put aside or turned off by all family members on parent/guardian request.

Remember, if you have any questions or comments about our newsletter contributions, feel free to email any member of the ED-TECH Team at Taos Academy Charter School.

Collin E. Miller - cmiller@taosacademy.org

Kelci Pike - kpike@taosacademy.org

Cal van Willigen - cvanwilligen@taosacademy.org

Jamie Lucero-Martinez - jlucero-martinez@taosacademy.org

Patti Kravitz - pkravitz@taosacademy.org

RosettaStone: Students will be enrolled in their next semester's foreign language course through their advisers. Anticipated start date for Spring 2018 semester for Rosetta Stone is week of January 28. Please be sure you have discussed your credit needs (HS only) and reviewed your transcript with your adviser so you and he/she knows what you need in the way of a language credit.

New classes will be announced January 14th and will begin January 21, 2019.

Middle School **PLUS**

Next semester Middle School Plus students will have the opportunity to learn many new games during recess and activity time. A new focus on Playworks Play activities will be supported with equipment purchases from student fees. Students will experience organized cooperative games and learn core playground games and sports. Please remember to sign up for MS Plus in the front office in order to reserve your spot for the afternoon with a \$10 per quarter fee.

MS Student Advisory Council News

You can buy candy grams before school, at break, or lunch; we are selling them at 2 for a \$1. Parents, you can buy from Ms. Amy at the front desk. Candy Grams will be delivered on Feb 8-14. Upcoming activities: look for more info about our February Strawberry Cream Lollipop Candy Gram sales, February Spirit Days, and our Winter Dance.

HS Student Advisory Council News

We will have our first meeting of the Semester on Tuesday, January 22nd @12:20p.m. in the blue lab. Our meetings are open to all students. Upcoming events: Fundraiser(Prom), HS Prom and Spring blood drive. If you would like to participate in the planning process or have suggestions for additional community involvement activities/projects please join us!

NJHS will be focusing on setting up our induction ceremony and organizing our next community service project. We plan on partnering with Shared Table. Students will need to be transported for one day of

service over the course of the semester. Schedules and days will be forthcoming. NJHS meetings will be in the purple lab at 12:30 on January 16th and January 30th. Please contact Miss Sam (ssamoiel@taosacademy.org) or Miss Estelle (elaure@taosacademy.org) with any questions. We look forward to seeing all of you there!

CLUB LECTIO SCRIPTO We will be meeting January 24 from 4:00 to 4:50 in the purple lab to share our reading experiences and do some fun writing activities with a special focus on the new year. Please come and bring your bright ideas to share with the group. You can also bring a friend! Please contact Miss Estelle at elaure@taosacademy.org with questions.

CHESS CLUB will meet Wednesdays, January 16, 23, and 30 in the Math Lab from 4:00 to 5:15 with Coach Tim Martinson. Players of all skill levels are welcome to attend! Contact Mr. Martinson for more information (timmartinson@taosacademy.org)

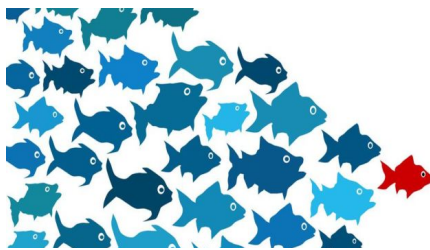

21st-Century Classes

Internships - Internship Paperwork for Spring 2019 is due by the end of February. If a student has an ongoing internship that started in Fall semester 2018, no additional forms are due (except the progress report by end of February).

All internship forms can be printed from the Taos Academy website under “Quick Links” then “Quick Forms”. Forms must be signed by a parent and a supervisor and submitted to Jason Weisfeld. Grades for internship credit are based on progress reports and the log of hours. Credit can only be given when hours and progress reports are SIGNED and turned in ON TIME.

Graduation is Friday May 17, 2019 2- 4 pm

Taos Center for the Arts

Mandatory rehearsal at TCA Thursday, May 16 at 10 am

College Link students, please check in at TA during Winter Activity Days Jan. 9-11, 2019, 9 am-12 noon to get your UNM course schedule AND SIGN UP FOR CL LABS.

TA classes and CL labs begin on Monday January 14 and CL attendance is mandatory on that day. We will review your UNM classes, Next Step Plans, college plans, and EDGE classes. You may also sign up for your CL lab times.

UNM classes begin Monday, January 14, 2019. UNM Friday Early College Classes begin January 18, 2019.

SENIORS: Please get your measurements and monies for your CAP & GOWN to Ms Lucero at Front Admin Desk. WE MUST GET THESE ORDERED ASAP. Graduation will be here sooner than you think! (See prior emails in your gmail.)

College Link...

COLLEGE LINK (CL) has continued to contribute to the success of the UNM dual credit program and to our students by continually raising the bar for their work and civic responsibilities. We began the year by raising the required GPA to 3.0 for participants along with the tacit and continued expectations that these students represent high character, diligence in academics, and a strong sense of ‘giving back’ to the community. Discipline or academic problems at UNM-Taos or at TA will DQ a student from the program.

Students should take at least one core UNM class by completing the ACCUPLACER Exam for math and/or English to determine registration. These classes fill up quickly and in order to continue to offer them UNM must maintain a given enrollment number of students in such classes. There’s an additional page that asks students to list 1st-2nd-3rd choices for classes. Students **MUST** meet with their CL advisor and counselor. Parents need to oversee the application and sign it before any registration is possible.

NOTE: College Link students have CL lab schedule options M-Th. This is to allow students the flexibility to attend UNM classes and work internships and participate in various extracurricular community activities. CL students will also serve SSL Contract (when they ‘earn’ it) on the regular SSL schedule which is on their OFF days (M/W/F). But this shouldn’t be happening for CL students! **The goal is to engender learning to balance school/work/personal life in order to build a strong foundation for the college experience. About fifty percent of college Freshmen in the U.S. drop out due to not having learned this invaluable skill.**

We’ll be meeting with CL students the first week back beginning Jan 9 in the mornings before students go to their Winter Activities. This is when CL students sign up for CL lab attendance and learn their UNM class schedules. Every CL student must attend at least two CL labs (M-Th) during the week. EDGE classes will be accessible on Jan 9, 2019. **GET A JUMP ON YOUR WORK!**

This is a digital school and communication is primarily through email. PLEASE READ YOUR TA EMAIL Check the TA home page for the school calendar, important dates and meetings, and important updates that affect students and families.

It’s going to be a busy second semester, so buckle your seat belts and be prepared for PARCC, MAPs and EOC (End of Course, as applicable) exams in addition to EDGE, College Entrance Exams, and

UNM requirements. This program is a commitment to doing one's best on all levels. Seniors are the veterans and are moving forward into post-secondary work. Juniors are stepping up to earn this leadership for our TA students. Make it a strong finish to this second semester -- your personal BEST. See you in 2019!

~Ms Densow and Ms Samoiel.

Purchases that donate to Taos Academy

Sign up once for **FREE** and these organizations will donate to Taos Academy

You shop. Amazon gives. Amazon Smile will contribute a portion of their sales to Taos Academy Foundation. Just follow this link – <http://smile.amazon.com> - and start shopping!!

Smith's Grocery Store Earn money for Taos Academy every time you use your rewards card. **YOU MUST RE-ENROLL EACH YEAR.** Go to www.smithsfoodanddrug.com/inspire and enroll your Smith's rewards card. Taos Academy's non-profit number is 80215. This does not affect the cost of your purchases, your points or your fuel points.

Box tops for Education Please cut off of grocery products at the store and bring into the school. Taos Academy receives funding for each boxtop.

 **Education Foundation Taos Academy Foundation** - Relatives and Friends may want to contribute to our school in your name or you may want to give a donation as a gift to the school. Just go to taosacademy.org and click on the "Donate" button at the top of the home page.

Zenfolio Photography - Get photos of your student OR SeeSomethingSaveSomeone Swag Store is open on our zenfolio website. Proceeds from student photography go to the photography program and proceeds from the SeeSave Swag (cups, sweatshirts, ornaments, magnets, etc) go to promote the youth suicide prevention app to get it on more phones. Go to taosphotography@zenfolio.com.
