Director's Welcome

Taos Academy Students and Parents:

Welcome to Taos Academy, a state-chartered public school offering a dynamic and innovative educational delivery system. It is our privilege to provide 5th -12th grade students with engaging and rigorous core curriculum, highly motivating elective classes, and leadership and career training through our state-of-the-art 21st century learning environment.

Taos Academy practices the belief that every learner deserves access to excellence in educational opportunities regardless of his or her abilities or location. Our hybrid educational delivery model uses a unique combination of direct classroom and digital instruction with proven curriculum to address each learner's individual needs. Flexibility in scheduling allows the student to work in either our technology labs or wherever a high-speed internet connection is available. Students also have the opportunity to attend the Taos Academy campus for tutoring, workshops, and the STEM + Arts Institute classes taught in high tech media arts/ and science/math/engineering labs.

Highly qualified, experienced and licensed teachers conduct classes both on-site and from remote locations. Each student is assigned an instructional advisor for consistent contact, guidance, feedback and encouragement. Tutoring is available for students in need of some additional support. Teachers also provide support for college and career development, leadership training, outdoor education, and community service learning projects.

All the necessary information for staying up to date with Taos Academy is posted on our website, www.taosacademy.org. Please be sure to visit the Taos Academy website often and review our handbook. At Taos Academy each student is expected to apply themselves to their academic work, to explore personal learning goals in 21st century classes, and to be engaged positively in their relationships with all members of the Taos Academy community. Taos Academy requires a strong partnership between school, community, and home. This partnership allows students to experience personal success with high expectations in a supportive environment. Together, our efforts each day will build the foundation for success today and in the future.

We look forward to providing one of the most innovative and effective educational experiences available anywhere.

Let's have a wonderful year, together.
Together in Education,

Traci O. Filiss
Director/Superintendent

Our Mission

The mission of Taos Academy is to prepare students in the fifth through twelfth grade to achieve and maintain a level of excellence by supporting and promoting academic achievement, strong leadership skills, and social responsibility. Through the use of innovative curriculum, leadership training, and enrichment opportunities we foster a community of self-motivated, independent, lifelong learners. The partnership of school, parents, and community creates a learning environment where students acquire the knowledge, leadership skills, and sense of responsibility needed to succeed in the 21st century.

Vision Statement

Our vision is to be a model 21st-century learning community developing strong leaders who have the academic and social skills necessary to succeed in the modern world.

Turquoise & Gold

Turquoise and Gold were chosen as the representative colors for Taos Academy because they represent well-being and excellence. The turquoise gem is said to bring a sense of happiness and cheerfulness, manifesting as a feeling of wellbeing. Gold is a universal symbol of high performance representing our goal of excellence for all Taos Academy students and staff.

Taos Academy's school day begins at 8:00 and ends at 4:00. Students in grades 5 through 8 are required to attend campus all day on Monday and Wednesday for academic instruction with Tuesday and Thursday open for enrichment programming. Students in grades 9 through 12, excluding "College Link" students, are required to attend campus all day on Tuesday and Thursday for academic instruction with Monday and Wednesday open for enrichment programming. Daily on-campus schedules include on-line academic work, face to face academic instruction dedicated to literacy and math, 21st Century Learning courses, and one hour for lunch/recess/activity time. Individual schedules are posted at the start of school and modified throughout the year as needed. Students may attend TA campus 4.5 days per week by taking advantage of some of the following extra enrichment programming. Attendance on these days may also be required as needed to support student academic growth.

- **Student Success Lab:** The SSL is a learning lab designed to give students a structured study environment with a high speed internet connection to support success in their online coursework. SSL is available from 8:00-12:00 on a student's enrichment programming school days. Students may attend voluntarily or as required due to lack of success/progress. Friday Math tutoring from 8-12 is also available. Students may be required to attend SSL and/or Friday Math tutoring for lack of progress. Students not showing grade level proficiency in Math and/or Reading, dropping below 2.0 GPA, or in credit recovery for on-time graduation will be placed on Student Success Programming, requiring participation in this program.
- **Middle-School Plus Enrichment Program:** Mid Plus offers classes to 5th- 8th grade students from 12-4 Tuesday and Thursday. This program is designed to further support the learning needs of young students. Sign up is required and lab fees apply.
- **College Link Program:** Students in 11th and 12th grade who meet the College Link requirements have the opportunity to participate in our College Link Program allowing students to take UNM classes for dual credit. Students in CL are required to schedule a minimum of two 4 hour lab sessions per week plus an advisory time. See "College Link" section for more information. College Link students must have a 3.0 GPA and have off-campus lunch privileges.
- **Friday Early College Program:** Students in 9th through 12th grade who meet the GPA requirement of 2.0 have the opportunity to participate in our Friday Early College Program, allowing students to take UNM elective classes for dual credit.

- **Internship Program:** Students in 10th through 12th grade gain real world experience and credit through our Career Pathway Program. Students follow a career choice pathway of classes, internship and/or volunteer hours to gain the experience and build hire ability in a field of choice.
- **STEM+Arts Institute:** Our STEM+Arts Institute classes are optional and are scheduled on students' enrichment programming days by sign up only. These classes are offered for exploratory experience in different areas of science, technology, engineering, math and arts. Class dates/times vary throughout the year and are posted in the monthly newsletter as they become available. Lab fees are applicable. Dual Credit is also available for some courses.
- **Alternative Schedules:** These must be requested in writing and approved by the Director and will only be granted with permission from the student's advisor to ensure plans for academic success. This includes extended travel, illness and sports. Please see your adviser to discuss a need for alternative scheduling.
- **Student Success Programming:** Students not showing grade level proficiency in Math and/or Reading, dropping below 2.0 GPA, or in credit recovery for on-time graduation will be placed on Student Success Programming, requiring participation in this program. Students will be scheduled on campus 4.5 days per week to ensure appropriate instructional time, promoting educational success. This may also continue into the summer to promote further need for success and academic growth.

Academic Responsibilities

Students are required to continue online academic work outside the school for **approximately 20 active hours/week** or **as needed to stay current with each class lesson schedule**. Parents are required to provide high speed internet access from home with access to a computer and printer. Parents are also required to electronically monitor academic progress weekly. We encourage students to participate in enrichment activities offered through the community and at Taos Academy at times when they are not scheduled on campus.

Closed Campus

Taos Academy has a closed campus to provide safety for all students. Parents must give written permission for a student to leave early for an appointment, unless for an emergency. All students must check out from the office before leaving early and must have prior parental permission in writing. Students will not be released for lunch unless picked up by a parent. Please schedule all appointments on non-scheduled school days.

Visitors

All visitors to the campus must check in, receive a visitor's pass, and relinquish vehicle keys at the front desk located in the reception area. Visitors are to wait quietly at the reception area. Main doors to student areas will be locked at all times. The Receptionist will contact the appropriate staff member or student who will meet the visitor in the reception area and escort him/her to the approved destination. Visitors and parents are not permitted to enter the lab

without escort. All visitors must adhere to all traffic flow signs and parking regulations including 5 mph speed limit. Safety first!

Reporting Absences/Tardiness

If a student is absent during a scheduled academic time, a parent/guardian is required to notify the school **before 9 AM** for each day of absence (751-3109). Students arriving after 8:00 am must sign in at the office. See attendance policy for more information.

Winter Cancellation Policy

We follow Taos Municipal Schools for school delay and full day closures only. Mid-day closures are at the discretion of the parent depending on safety decisions. Students will not be released early from school without parent permission. Parents must give written permission to have students released early for any reason, unless in an emergency. Please be sure you have access to TV, internet or radio broadcasts that will give you this information.

On closure days, students are required to continue to work on their classes per their individual assignment calendar. Students who fall behind their calendar of assignments will be subject to the consequences stated in our attendance policy.

Advisors

Each student is assigned to an Academic Advisory group. The Advisor is responsible for individualizing programs, monitoring and encouraging progress, supporting academic success and communicating with students and parents. Content teachers may also be available for tutoring upon appointment.

Academic Course Structure & Progress

All TA courses are intended to be completed during the period of a single semester (18 weeks) in order to receive credit. Students may work ahead in their classes but must maintain the minimum established pace as indicated by the student's assignment calendar and meet a minimum mastery level of 70% in all classes. ***Students not maintaining an actual grade of 70% will receive an Academic Absence for the week.*** See our TA Attendance Policy, Summer School and Probationary Enrollment sections on page 23 for more information.

21st Century Course Structure

All students are required to participate in either 21st Century Classes offered at Taos Academy or College and Career readiness classes. 21st Century Classes are designed to support post-secondary goals and are offered on campus and/or in the community. Dual Credit High School/College classes and internships can be applied to the required 21st Century credits.

Student Assessments

Traditional assessments are included as a part of every class. However, students are also measured through a variety of alternative methods including: portfolios, demonstrations, presentations, and collaborative projects. This variety allows students and teachers to identify strengths and problem areas and respond to them promptly. When problem areas are identified, advisors and learners develop strategies to correct the problem. Students and parents have access to continuous progress reports and weekly grades for every Taos Academy class.

Final Exams

All exams including end-of-semester final examinations must be taken on campus at Taos Academy and proctored by Taos Academy staff. The student must notify their advisor when ready to take a midterm or final examination. Exams opened prior to approval or taken in a non-approved setting will receive a zero.

Standardized Testing

As a participating member of our learning community, ***students enrolled at Taos Academy are required to participate in all standardized testing*** as stipulated by the New Mexico Public Education Department. In order to receive a high school diploma, students must pass content specific standardized tests.

Classification Policy

Mid-high school students 5th through 8th grade must maintain a 2.5 GPA to be promoted to the next grade level. Students below 2.5 GPA may be promoted with a Student Success Programming plan to promote educational success.

Grade classification for high school students 9th through 12th is determined by the year they start 9th grade. They are classified as:

Cohort 1	(Freshman Grade 9)
Cohort 2	(Sophomore Grade 10)
Cohort 3	(Junior Grade 11)
Cohort 4	(Senior Grade 12)

Previous high school transcripts will be evaluated to determine student grade level and courses required for graduation.

Grade Point Average (GPA)

Grades will be calculated on a 4.0 scale. Honors and Dual Credit classes will be weighted on a 5.0 scale. Coursework that is not completed at semester's end will receive a failing grade which will result in loss of credit.

Graduation Requirements

Taos Academy requires the student to accumulate a minimum of 24 credits to earn a diploma. Beyond New Mexico Public Education requirements, Taos Academy students are required to participate in foreign language development, dual credit or internship, 21st Century Learning training/College and Career Readiness and community service/leadership. Each student's individual Next Step Plan, identifying courses required for graduation, is developed by Taos Academy staff with the student and parent and is updated regularly to reflect student goals and progress.

Withdrawal from a Course

Courses are assigned according to the student's Next Step Plan and graduation requirements. Students may drop a class with **written permission** from their Parent and Advisor without penalty at or before midterm. If the drop is made after the midterm date, the student will receive a failing grade in the class. This policy includes summer school. Any changes may affect the graduation date and plans. All changes must be considered carefully. Written permission must go to the Curriculum Coordinator.

See STEM handbook for STEM withdrawal policy.

Friday Early College Program

Students in 9th through 12th grade have the opportunity to participate in our Friday Early College Program which allows students to take UNM classes for elective dual credit.

College Link/Dual Credit Enrollment Agreements

This program allows students classified as 11th or 12th graders to earn high school and college credit simultaneously upon successful completion of a course. To be eligible to participate in a dual credit program, the student shall obtain recommendation from his/her advisor, parent and Director. Students who are not on track with their regular curriculum (i.e., 70% or higher Actual Grade in all core subject areas), failed a class or are on any probationary behavior restriction may be placed on probationary enrollment dual credit classes. **College Link students are required to have a 3.0 GPA.** Students must obtain a registration application from their advisor/counselor and will be given guidance towards signing up. It is the responsibility of the

student to cancel an unwanted class before the college's drop deadline and advise their advisor and TA counselor.

****NOTE:** All college credit courses are also Taos Academy credit courses; therefore, all Taos Academy policies apply and will be enforced. Students enrolled in the "College Link" dual credit program are ***required to schedule and attend at least two lab sessions weekly at Taos Academy.*** Attendance is required on the scheduled days and absences will be handled through Taos Academy attendance policy.

College Link students must also attend a mandatory CL advisory period in addition to the lab times specified above. These are 8-10 am on Mondays for all CL seniors and 8-10 on Tuesdays for all junior CL students.

See College Link Manual for details.

Transcripts and Grade Reporting

Progress reports are issued regularly throughout the semester by the student's advisor and 21st Century teachers. Parents and students have access to virtual progress and grade reports at any time. **It is the responsibility of the parent to learn to access academic reports and monitor progress for student success.** Semester grades and transcripts are updated at the end of each semester.

Post-Secondary Planning

Taos Academy staff encourages appropriate post-secondary goals. Therefore, 10th grade students enroll in a college/career prep course to prepare for college testing, study skills, degree exploration and entrance requirements to specific college choices. We suggest families also utilize community services to plan for college placement. The [Bridges Project for Education](#) (758-5074) is one community service with a wealth of information to help with post-secondary planning.

College Entrance Examinations

Taos Academy will be facilitating all 11th grade students taking the ACT and/or SAT. Information on the costs, dates of registration, test locations and dates of administration of college entrance examinations may be found on their respective websites:

ACT
SAT
PSAT/NMSQT*

www.act.org
www.collegeboard.com
www.collegeboard.com/student/testing/psat

Summer School

Taos Academy offers summer school to enrolled students. Students may take online courses for credit recovery, acceleration, or summer enrichment. Summer courses are offered for credit and require a \$200 deposit, \$100 refundable upon successful completion of the class. Students may drop a class for any reason without grade penalty at/or before midterm. If the drop is made after the midterm date, the student will receive a failing grade in the class. Deposit will NOT be returned for dropped classes.

- **Student Success Programming:** Students not showing grade level proficiency in Math and/or Reading, dropping below 2.0 GPA, or in credit recovery for on-time graduation will be placed on Student Success Programming, requiring participation in TA's summer session. Students will be scheduled for summer school to ensure appropriate instructional time, promoting educational success.

Sports/Extracurricular Activities

Taos Academy students who maintain eligibility may participate in sports or other extracurricular activities in accordance with the Sports/Extracurricular Activity Policy. TA students who are eligible may participate on Taos Municipal School teams. Students must have a minimum 2.0 GPA to be eligible to participate in sports.

Curriculum Overview

Academics

Taos Academy uses a core curriculum designed to engage students while meeting or exceeding all national Common Core Standards. Digital curriculum provides each student with coursework that matches their personal learning level and prescribes a learning path that best fits their academic growth. Students are assessed and given an individual learning plan according to their skills assessment, not grade level. A student may need remediation in one area, yet be strong in another. This is the beauty of digital education; we can customize the learning for each student to best fit their needs.

Electives

Taos Academy offers many elective classes designed for enrichment and to prepare students with 21st Century skills. Electives are available online, face to face, and/or for dual credit at the college level for qualifying students.

What is 21st Century Learning?

All students at Taos Academy participate in 21st Century learning classes (Leadership, Global Studies, SmartLab and Career Pathways). These classes are designed to incorporate:

Life and Career Skills

- Flexibility and Adaptability
- Initiative and Self Direction
- Social and Cross-Cultural Skills
- Productivity and Accountability
- Leadership and Responsibility

Learning and Innovation Skills

- Critical Thinking and Problem Solving
- Creativity and Innovation
- Communication and Collaboration

Information, Media and Technology Skills

- Information Literacy
- Media Literacy
- ICT (Information, Communication and Technology) Literacy

Grade Policy

Performance Level	Description of Student Performance
<p><i>“A” Level Performance</i> 90-100</p>	<p>The student’s work exceeds all of the basic requirements of the challenge/task at a very high level of competence. It is clear, carried out with unusual precision and skill, and demonstrates an in-depth understanding and analysis of the content and the challenge itself. The work is presented in an original and creative manner that communicates either new insights or intriguing perspectives.</p>
<p><i>“B” Level Performance</i> 80-89</p>	<p>The student’s work exceeds all of the basic requirements of the challenge/task at a high level of competence. It is complete, has no significant errors, and demonstrates a thorough grasp of the content and the challenge/task itself. In addition, the work is well presented, and facts and ideas have been combined in order to generalize or explain conclusions and interpretations of the ideas and concepts studied.</p>

<i>"C" Level Performance 70-79</i>	The student's work satisfies the basic requirements of the challenge/task at an acceptable level of competence. It shows the required grasp of key ideas and concepts, is presented in an adequate manner, and conveys the key ideas of the challenge/task itself. Work at this level meets only the minimum level of performance and should be considered a point from which improvement should begin.
<i>"D" Level Performance 60-69</i>	The student's work does not satisfy the basic requirements of the challenge/task and must show improvement. This work demonstrates a minimal understanding of key ideas and concepts, lacks clarity and precision in its presentation, and demonstrates little understanding of the challenge/task itself. This work meets only the minimum level of competence for granting credit.
<i>"F" Level Performance Below 60</i>	The student has not met the basic requirements for "D Level Performance" in the course. All strategies and/or time available to satisfy this academic requirement have been exhausted, and "No Credit" will be awarded for this course work.
<i>Pass/Fail</i>	Available for designated non-credit courses only
<i>Honor Roll</i>	Honor Roll - must earn 3.0 to 3.49 GPA High Honor Roll – must earn a 3.5 to 3.79 GPA Director's Honors – must earn 3.8-4.0+ GPA

Notes on Grade Policy

- Students will have an individualized educational program aligned to their personal learning goals to ensure success.
- Students are required to meet the following rigorous academic requirements:
 1. To meet all state requirements for High School graduation.
 2. To show adequate yearly growth in literacy and mathematics. **Students should be showing forward progress at each assessment period.**
 3. To have a minimum grade-point average of 2.5 to be promoted to the next level or required credits for HS.
 4. Middle school students will successfully complete one academic or elective high school level class to enter ninth grade.
 5. High school level students will successfully complete either coursework for two college-level classes or 200 hours of participation in an internship program.
- Students will participate in leadership training to develop personal and community life goals.
- Students will participate in enrichment opportunities to further enhance their educational experience.
- Students will participate in foreign language instruction. **Two full world language credits (four semesters of study) in the same language are required for TA graduation.**
- Students will show evidence of becoming an independent, lifelong learner. That is, the student must demonstrate the ability to pose questions, marshal resources, and pursue

learning with dedication, independence, imagination, and courage through the development of an end-of-year portfolio.

TA Academic Framework

Middle School Course Requirements

Grade Level	Language Arts	Math	Science	Social Studies	21 st Century Learning	Wellness
5 th Grade	English 5	Math 5	Science 5	History 5	Smart Lab, Leadership, Global Studies	Health/PE
6 th Grade	English 6	Math 6	Earth Science 6	World History 6	Smart Lab, Leadership, Global Studies	Health/PE
7 th Grade	English 7	Math 7 or Pre-Algebra	Life Science 7	NM History 7	Smart Lab, Leadership, Global Studies	Health/PE
8 th Grade	English 8	MS Pre-Algebra or Algebra I	Physical Science & Health	US History 8 / Civics	Smart Lab, Leadership, Global Studies	Health/PE

High School Course Requirements and Progression

	9th Grade	10th Grade	11th Grade	12th Grade
English: 4 credits Eng. I, II, III, IV	English I	English II	English III	English IV
Math: 4 credits (to include Alg. II or higher)	HS Math Readiness, Algebra I, or Geometry	Algebra I, Geometry, or Algebra II	Geometry, Algebra II or UNM Math	Algebra II, Pre-Calculus or UNM Math
Science: 3 credits (to include 2 Lab Sciences)	Biology	Environmental Science	Chemistry, Physics or UNM Class w/ Lab Component	
Social Studies: 3.5 credits	NM History (0.5 credit)	World History	US History	Economics (0.5) Government (0.5)

PE/Health: 1.5 credits	Freshman Fitness			Health (0.5)
Career & Tech Ed / Other Electives: 6 credits	Career & Tech Education Strategies for Academic Success (0.5 credit)	Career Pathways	Humanities Seminar STEM Seminar 2 Elective Credits (STEM, Internship, Dual Credit, etc.)	1.5 Elective Credits (STEM, Internship, Dual Credit, etc.)
World Language: 2 credits (all credits required in same language)	Lang I	Lang II		
Total Credits	7 total	13 total	19 total	24 total

*****24 credits are required to graduate from Taos Academy.***

Programs for Student Support & Success

Taos Academy offers a variety of programs to assist students in reaching their personal and educational goals.

Tutoring

Students can make arrangements with their Academic Advisor for individual help; tutors are available during all advisory times. In addition, please take advantage of our Math Lab and Student Success Lab.

College Link - Dual Credit Enrollment

This program allows students classified as 11th or 12th graders to earn high school and college credit simultaneously upon successful completion of a course. To be eligible to participate in a dual credit program, the student shall obtain recommendation from his/her advisor, parent and Director. Students who are not on track with their regular curriculum (i.e., 70% or higher Actual Grade in all core subject areas), failed a class or are on any probationary behavior restriction may be placed on probationary enrollment for College Link. Students must maintain a 2.5 GPA to be accepted into core academic college classes. Students must obtain a registration application from their advisor/counselor and will be given guidance towards signing up. **It is the**

responsibility of the student to cancel an unwanted class before the college's drop deadline (AND advise CL advisor and TA counselor).

****NOTE:** All college credit courses are also Taos Academy credit courses; therefore, all Taos Academy policies apply and will be enforced. **Students enrolled in the "College Link" dual credit program are required to schedule at least two lab sessions weekly at Taos Academy.** Attendance is required on the scheduled days and absences will be handled through Taos Academy attendance policy on page 23. (See separate College Link manual for details.)

Achieve More

By developing good study habits, each student can excel in furthering her or her own academic aims. This includes being focused, using lab time wisely, and striving to become a better learner every day. Since student success is a shared concern, parents are asked to encourage their son/daughter to maintain good work habits and ensure an environment conducive for study.

Parent Support is key to student success!

Parent Support Strategies:

- a. Provide a quiet place, consistent time, and materials needed to study
- b. Plan for your son/daughter to average 45-55 minutes per class per day
- c. Encourage and inspire them towards accomplishing all educational goals
- d. Learn how to access progress and grade reports to monitor success
- e. Check progress electronically at least weekly to support successful completion
- f. Support self-study efforts and good work habits
- g. Work with the student's advisor to develop and maintain a learning program that is aligned to the student's interests, educational goals and state standards
- h. Participate in at least two school functions per year
- i. Provide healthy lunch and snacks
- j. Provide timely transportation to and from school as well as other scheduled activities
- k. Collaborate with other parents to support the hybrid schedule of Taos Academy Charter School
- l. Encourage student engagement in the many opportunities at TA

Student Success Strategies:

- a. Develop good study habits
- b. Use the assignment calendar and e-notes to help you stay organized
- c. Take notes on the lectures, online content assignments and lab assessments
- d. Submit lessons equivalent to one lesson per subject per day - stay on track
- e. Be an independent learner; do your own work
- f. Get extra help by asking your Advisor; schedule a time to meet during regular school hours if needed
- g. Access tutoring options quickly so you don't fall behind

- h. Look for ways get involved with the many activities that the Taos Community has to offer (STEM classes, electives, Mid School Plus)
- i. Collaborate with other students and support each other - make a study date or meet in town at one of the many internet cafes to do schoolwork
- j. Remember that your learning is your responsibility - but we are here to help!

Academic Advisor Support:

- a. Assist students to create individual learning plans to promote academic success
- b. Engage students in activities to enhance learning and promote continued learning
- c. Provide timely instructional feedback and academic support
- d. Monitor students' progress (pace and grades)
- e. Monitor progress towards graduation and career or college readiness
- f. Provide students with guidance for finding and using internet resources
- g. Communicate concerns and/or positive progress with parents and students weekly
- h. Be available for extra tutoring needs when necessary
- i. Help student find and use resources within our school to support their success
- j. Encourage student engagement in non-academic opportunities at TA
- k. Content teachers support students in the teacher's highly qualified areas
- l. Collaborate with 21st Century teachers to enrich programming

Student Success Programming - Lab, Contracts, and Academic Support

To further support our students in their academics, Taos Academy has implemented a Student Success Programming Plan. The process begins when a student falls behind their pacing calendar in any subject. The Academic Advisor will start with verbal encouragement to catch up and strongly suggest attending the SSL (**Student Success Lab**) on non-scheduled school days from 8-12 or on Fridays from 8-12 specifically for Math tutoring.

When the student falls below 70% actual grade in any class, the student and parent are given a written Warning for lack of progress. If the student does not meet their target calendar schedules in every class within 1 week or continues to fall behind, an Academic Absence is recorded.

If the student continues to stay behind in work such that they accrue TWO Unexcused Academic Absences in a row, the advisor will place the student on a **Student Success Contract**. This step is designed to help the student get back on track and provide more structured time in their digital curriculum. Students on contract are **required** to attend the Taos Academy Student Success Lab on non-school days Monday through Thursday 8:00 -12:00 for a period of 30 days. Academic absences do not accrue during this catch-up period. Appropriate placement may be discussed with parents, student, advisor and Director if the student continues to struggle.

The Student Success Lab is designed to be a quiet, focused and productive learning environment. Disruption of the lab will not be tolerated. Parents will be called to pick students

up if they are disrupting the learning environment. Continued disruption of the lab will result in loss of the privilege to attend the SSL.

Student Success Programming/Probation Policy

Taos Academy students who are not demonstrating academic proficiency will be put on a Student Success Programming or probationary enrollment plan. Students not showing proficiency will be placed on Student Success Programming, requiring participation on campus 4.5 days per week to ensure appropriate instructional time, promoting educational success. This may also continue into the summer to promote further need for success and academic growth. Non-demonstration of proficiency is defined as any one of the following:

- Having a GPA of less than 2.0.
- Failing two or more core academic classes in one semester.
- Repeated failure of one core class in consecutive semesters.
- Not meeting proficiency in any academic area.

The Curriculum Coordinator will compile a list of students meeting these parameters at the start of each semester and will notify Advisors. In turn, Advisors will notify students and families. Student Success Planning and Probationary enrollment plans require student attendance on off-days to the Student Success Lab, participation in all scheduled tutoring, and the formulation of a weekly lesson plan calendar by the student, shared with parents and teachers via Google Docs. Other interventions may include summer school, parent tech training, participation in STEM classes, Upward Bound, and/or additional online practice to boost skills.

If students continue to be unsuccessful in academic growth, an appropriate placement meeting will be scheduled by the Advisor with the parent, student, curriculum coordinator and director to discuss success at TA and continued enrollment. If the student continues to be unsuccessful at TA, the school may recommend an alternative educational setting.

Enrollment

Enrollment Policy

Taos Academy sets forth the following policies, in accordance with the Charter School Act: Any student, regardless of where he/she resides in New Mexico, may attend Taos Academy. Taos

Academy enrollment policies prohibit discrimination on the basis of disability, race, creed, color, gender, national origin, religion, or need for special education services.

If it is the intent of the parents to enroll their student, the parent must submit an electronic [Letter of Intent](#) during our enrollment period for each student. Intent letters are accepted throughout the year and are added to the lottery selection. Any student with a submitted letter of intent that is not selected by the lottery will be placed on a waiting list. See web page www.taosacademy.org for further information.

Probationary Enrollment

Taos Academy holds the right to place students on probationary enrollment. All students with a GPA of lower than 2.0, a failure in more than two core academic classes in prior semester and/or not meeting proficiency in any academic area, may be put on a probationary enrollment. Additionally, these student will participate in Student Success Planning as part of their enrollment agreement at Taos Academy.

It is the responsibility of the advisor to notify parents and students of the reason for the placement and the plan for success. Weekly reports will be sent to parent, student and the curriculum coordinator detailing student progress towards the plan. At each 9 week mark an appropriate placement meeting will be scheduled by the advisor with the parent, student, curriculum coordinator and director to discuss success at TA and continued enrollment. If at semester the student continues to be unsuccessful at TA, an alternative placement will be recommended.

Withdrawal

Due to the nature of the hybrid model of instruction, we ask that students only withdraw from Taos Academy at semester intervals. If this is unavoidable please give us a 30 day notice of withdrawal. Upon terminating enrollment at Taos Academy Charter School, for any reason, please follow this procedure:

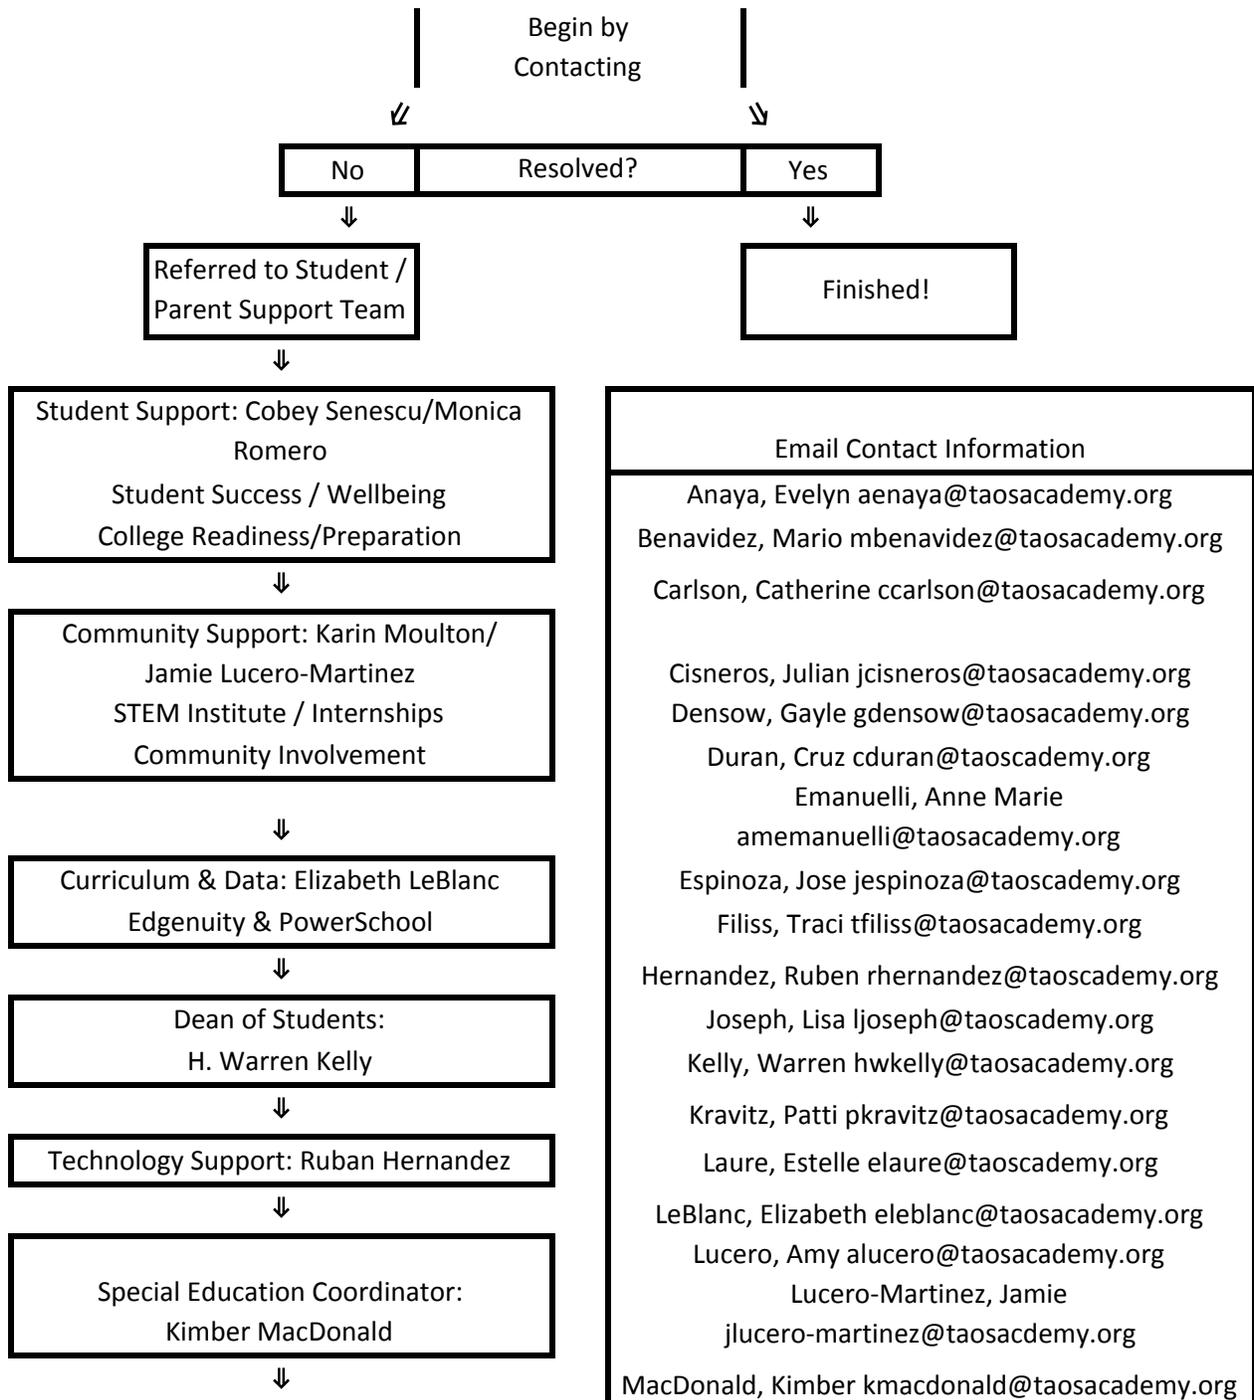

- a. Inform the instructional advisor, and the office with as much notice as possible, preferably with minimum of thirty day notice.
- b. Complete and return the withdrawal form to the office.
- c. Schedule a final conference with the director and instructional advisor.

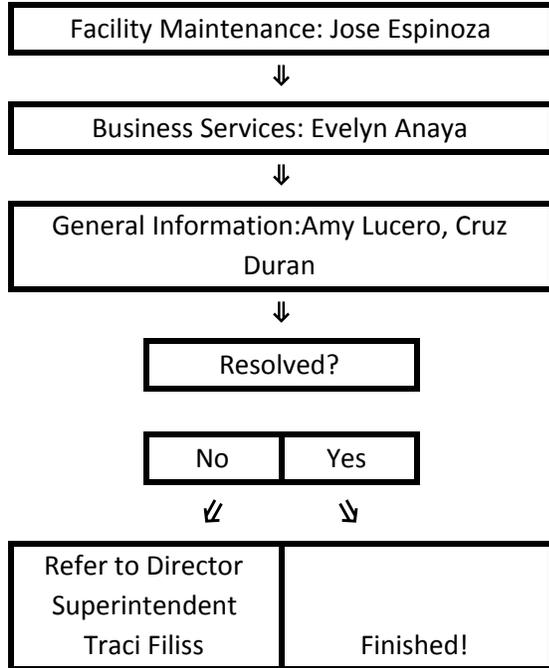

*If a withdrawn student chooses to re-enroll, a new letter of intent is required and the student will be placed into the lottery or at the bottom of the waiting list.

**Students not in attendance, physical or online, for 10 consecutive school days will voluntarily relinquish lottery position unless arrangements have been made with the Director prior to the absence. See absence policy for more detail.

***Students accruing 20+ absences, physical or online, per semester will voluntarily relinquish lottery position unless arrangements were made with the Director prior to the absence. See absence policy for more detail.

Student Code of Conduct Policy

Student Acknowledgement Form

TAOS ACADEMY is a community of learners where each individual aspires to support and celebrate excellence.

Student rights and responsibilities are part of the life of every school. The Taos Academy Leadership Program is designed to assist students in developing the skills needed to make prudent and respectful decisions so their actions are aligned with their responsibilities. The Student Code of Conduct outlines these rights and responsibilities. In the educational setting, rights provide individuals with the basic framework for making sustained progress toward worthy goals. Individual responsibilities make those rights possible.

Taos Academy recognizes that learning to make decisions is a process. One component of this learning process is being held accountable. The rules and standards outlined in this handbook have been developed to protect the rights of everyone, to insure that all students and staff are treated with compassion and respect, and to assure that our school operates in a safe and orderly manner.

In order to attain these objectives, all members of the Taos Academy Charter School community must adhere to certain guidelines in the daily activities of this campus.

Please read this document carefully.

Your signature at the end of this document acknowledges that you have read the 2019-2020 Discipline Code, understand your responsibilities as a student, and agree to follow all of the guidelines listed within this handbook.

Closed Campus

Taos Academy is a closed campus. Once students enter the building for the school day, they are not permitted to leave campus unless checked out by a parent, guardian or other approved release privileges are granted by the Director. Parents must give written permission for a student to leave early for an appointment, unless for an emergency. All students must check out before leaving early and must have prior parental permission in writing. Students will not be released for lunch unless picked up by a parent. Please schedule all appointments on non-scheduled school days. College Link students are exempt from closed campus policy.

Student Drivers

Students who wish to drive to school must obtain a school driving pass. To obtain this pass, please bring a copy of driver's license, proof of insurance and registration, and an approval letter from parent. The pass is subject to safe driving inspections and can be revoked at any time by the Director for lack of academic progress, behavioral misconduct, and/or lack of adherence to school traffic safety signs and parking regulations. Speed limit is 5mph.

****Students may not visit or sit in their cars during the school day, without an escort.***

*****Taos Academy is not responsible for the safety of vehicles or contents within the vehicle parked on campus.***

Attendance Policy

Attendance at Taos Academy is both Physical (attending face-to-face classes) and Academic (engaging in digital coursework). Please note the following:

All student activity is recorded. This includes Edgenuity login and logout time, lessons completed, time spent on assignments, grades and information about work completed and current status in each course. Students have a beginning and ending date for each course and a weekly work schedule to keep pace with the semester timeline. All submitted work can be viewed from previous and current classes.

Recorded Absences:

- Academic Absences: Students can receive an **Unexcused Academic Absence** for lack of progress in their classes. When the student reaches below 70% actual grade in any class, the student and parent are given a written warning for lack of progress. If the student does not meet their target in every class within 1 week or continues to fall behind, an Academic Absence is recorded. If the student continues to stay behind in work, the advisor may place the student on a Student Success Contract/Programming. Students on contract are required to attend the Taos Academy Student Success Lab Monday through Thursday on their non-scheduled school days 8:00 -12:00 for a period of 30 days. During this catch-up time, no Academic Absences are accrued.
- Physical Absences: Students will also receive an **Unexcused Physical Absence** when not in attendance for scheduled activities or for regular on-campus days.
- Students with **10 recorded absences in one semester** will be reported to the local truancy agency. Parents are notified with a warning at 5 absences. Students not in attendance, physical and/or online, for 10 consecutive school days or 20 recorded absences per semester will voluntarily relinquish lottery position unless arrangements have been made with the Director prior to the absences.

Tardy Policy:

Students arriving after 8:00 am must sign in. Students will receive an absence for every third tardy arrival.

Student Network Account and Electronic Communications

Please be advised of the following information before using Taos Academy accounts:

Taos Academy students will be able to access the computer network on a regular basis for electronic e-mail and the Internet, including their coursework. To gain access to e-mail and the Internet all students under the age of 18 must obtain parental permission and consent.

All students, parents and staff will be issued a Google account (taosacademy.org) for communication and access to approved services/devices.

The following practices while using Taos Academy electronic mail and accessing the Internet shall be prohibited:

- Any use for political or commercial purposes.
- The use of electronic mail in any matter that is contrary to school policy.
- Any use of profanity or inappropriate language on electronic mail.
- Any use that disrupts the educational and administrative goals of the school.
- Any use of the account by anyone but the authorized owner of the account.
- Any reproduction of copyrighted material without explicit permission.
- Access of material that has been deemed inappropriate for school use.
- Sending or receiving offensive messages, pictures or videos.
- Harassing, insulting, or attacking others.
- Damaging computers, computer systems, or computer networks.
- Using another's password.
- Trespassing on another's account, folders, work or files.
- You may only log onto one machine at a time and use only school provided accounts.
- **DO NOT** share your username or password with anyone.
- You are responsible for **ALL** activity while your account is logged in. If you walk away from a computer while logged in, **you are still responsible**.
- Read the Discipline Matrix in the **Code of Conduct**. If you use or plan to use technology to do harm, you risk losing your network privileges – and access to your courses – as well as being suspended or expelled from school.
- All activities on our school network and accounts **ARE** monitored and logged including the use of pre-approved personal devices.

Violations may result in loss of access as well as other disciplinary or legal action.

Staff and students will be allowed access to Internet resources with the understanding that some material that can be accessed on the Internet is inaccurate; additionally, some resources

contain material that is deemed contrary to prevailing community standards and is inappropriate for classroom use, and that access of such resources will not be permitted.

The school will provide a computer interface to Internet services that students should use in accessing instructional and reference material on the Internet. This interface will be designed so that objectionable materials are not easily available (for example onsite or account content filters); however, the Internet is designed in such a manner that all material contained within it are accessible using various search and retrieval tools. Taos Academy employs the use of both onsite (physical) and cloud (account based) content filters. Please remember, these are “filters” and not “eliminators”. No content filter is perfect and families must be informed that inappropriate materials could be encountered during students’ research to achieve valid instructional objectives. If inappropriate material is inadvertently encountered, students are required to notify TA staff immediately and shall disengage from the material. Students and teachers must be instructed in the necessary procedures of evaluation of information and resources as part of their ongoing education for life in modern society.

School Wear Policy

Students are expected to be neat, clean, and appropriately dressed for learning while on campus or on school sponsored field trips. Interpretation of the following dress code is subject to administrative decision. When, in the judgment of the Director, a student’s appearance, mode of dress, and/or cleanliness is distracting and disruptive of the learning process, or constitutes a threat to safety or acceptable standards of sanitation, the student may be required to make requested modifications or be suspended until such modifications are accomplished. The Director shall be responsible for determining good grooming, proper dress and attire of the students. Additional dress or appearance standards are specified in the following policy.

To avoid loss of learning time, students will be offered alternative clothes to wear through the day. Refusal to accept alternative clothes (medical scrubs, scarf) will result in parent notification, the opportunity for parents to provide appropriate clothing, dismissal from school on that day and/or keeping the student in separate workstation apart from the regular class activities.

Inappropriate Dress

The following are considered inappropriate dress for Taos Academy students:

- Cut-offs, short-shorts, mini-skirts, oversized sagging pants, oversized sagging shirts, muscle shirts, strapless tops, spaghetti straps, low cut tops, see through material, exposed midriff / back area, shoulder straps less than 1 inch wide, insignias representing drugs, alcohol, tobacco, sex, violence, gangs or foul language, or any other attire that may be disruptive or unsafe in a learning environment.
- Any and all exposed undergarments. i.e.: bras, underwear, boxer shorts.

Other dress items inappropriate to wear at Taos Academy include but may not be limited to:

- Headgear (bandanas, hair nets, hats, or hoods) sunglasses, chains, spiked jewelry, or any other accessory that may be disruptive or unsafe in a learning environment. Headgear and sunglasses can be worn outside, though not within the learning environment. Head coverings associated with religious dress are acceptable.

Shirts

Approved styles are:

- Short or long sleeved. Collared, turtleneck or mock turtleneck, sleeved t-shirts, and dress shirts that meet the appropriate dress requirements.

Notes:

1. No skin should be shown between the bottom of the shirt/blouse and the top of the pants/skirt when arms are stretched upward.
2. No undergarments should show under or through the shirt.
3. Shirts will be worn over leggings or tights if a skirt/shorts is not used. These shirts must be at least fingertip length
4. Shoulder straps must be at least 1 inch wide, and neckline can be no lower than 3" below collar bone. A modest and professional look is the goal.

Pants

Approved styles are:

- Pants of all kinds are acceptable that meet appropriate dress requirements.

Notes:

1. Pants must fit at the waist or hip, and be properly hemmed or cuffed.
2. No undergarments should show above, below or through the pants.
3. Tight fitting, stretch type pants may be worn with garments meeting skirt regulations (below fingertips). A long shirt is also appropriate to wear over tight leggings. Tying a jacket or shirt around the waist while wearing tights is not appropriate dress.
4. Pants that are frayed, ripped, torn, or have holes are not allowed.

Other Attire

Approved styles are:

- **Shorts** - NO higher than the point where longest extended finger ends when student is standing up straight (tight fitting, stretch type are NOT allowed).
- **Skirts** - NO higher than the point where longest extended finger ends when student is standing up straight (tight fitting, stretch type are NOT allowed).
- **Skorts** - NO higher than the point where longest extended finger ends when student is standing up straight (tight fitting, stretch type are NOT allowed).

- **Jumpers** - NO higher than the point where longest extended finger ends when student is standing up straight (tight fitting, stretch type are NOT allowed).
- **Dresses** - NO higher than the point where longest extended finger ends when student is standing up straight (tight fitting, strapless or backless, and stretch type are NOT allowed).

Note: Slits in Skirts, Dresses, or Jumpers can be no higher than the point where longest extended finger ends when student is standing up straight. Tight fitting, stretch type styles listed above may be worn under garments meeting skirt regulations (below fingertips).

Outerwear

Winter coats, winter jackets are for **outside wear only**. If a jacket is worn inside a building it must remain open. Sweaters – pullover, cardigan, or button-down – Sweatshirts, Blazers, Vests – must be appropriately sized. Items worn **inside** the school building for warmth **must meet the Dress Code**.

Footwear

All students must wear appropriate protective footwear. Appropriate non-marking shoes are required to use the multipurpose indoor gym.

Prohibited

Styles which are prohibited:

- Any “style” that disrupts the educational process or endangers other students.
- Headgear such as bandanas, hats, and sunglasses may be worn outdoors only.
- Belt loop chains or wallet chains, spiked jewelry, and extended belts.
- Any items or accessories which advertise, display, or promote any drug (including tobacco and alcohol), sexual innuendo, violence, foul language, weaponry, profanity, hatred, or bigotry toward any group.

<p><i>Any Infraction</i></p>	<p>For FIRST and ALL OFFENCES - Student will be asked to change clothing and/or use clothes provided at TA.</p> <ul style="list-style-type: none"> ● Student will contact parent/guardian by phone ● A parent/ guardian may bring appropriate clothing ● Hats, glasses and raised hoodies will be removed promptly inside when reminded by staff and placed in backpack or retained by staff. ● Scrubs, scarves, are available to cover up and remain in class. <p>SECOND and further OFFENCES – see above - AND the offence(s) are recorded with the Dean as a discipline referral. Parents are notified by staff by email.</p> <p>A student who REFUSES to correct their dress or use clothes provided by TA will call home, and may not work with his or her TA peer group and follow the regular schedule. Parents will be notified to help correct the dress code issue or to pick student up from campus.</p> <ul style="list-style-type: none"> ● A student will work on Edgenuity on the front office or main lab workstations only. ● A parent/ guardian may bring appropriate clothing to the student and he/she may return to class as scheduled. ● Hats, hoodies and glasses may be taken by the adviser until the end of the school day by adviser, or turned in to director, front office or dean. ● TA staff strives to avoid making the enforcement of this policy a power struggle and will exercise discretion; we ask the same consideration of our students and parents. The goal is a professional workplace.
<p><i>Habitual Infractions (Insubordination)</i></p>	<p>For a dress issue that is habitual (3rd recorded offence with Dean) and/ or insubordinate (as determined by the situation, in general a refusal to comply with the policy that escalates into an argument or multiple requests to modify clothing), a student and parents will meet with the Director or Dean. Consequences may include CS and ISS or OSS as determined in the hearing..</p> <p>A student who elects to leave campus over a dress code issue should know that they are marked absent and unexcused for the remainder of the day.</p>

Code of Conduct & Student Consequences

The following TA Code of Conduct has been adopted to protect and foster respect for the rights of TA students and staff. The school is a community and the rules and regulations of the school are the laws of that community. All persons enjoying the rights of citizenship are subject to the laws of their community. Each carries with it a corresponding obligation. *The right to attend Taos Academy Charter School is not absolute. It is conditional on each student's agreement to abide by the laws of the school community until and unless the rules are changed.* The Director, advisors, and school staff are responsible for maintaining school order and discipline,

facilitating the education program by ensuring an orderly, safe environment. In discharging their duties, all school employees have the right to be free from intimidation or abuse and have their lawful requests and instructions followed. The following disciplinary matrix is designed to serve as a guide when administrators are determining consequences. Nothing contained within this matrix should prevent an administrator from using his or her own discretion in regards to a particular situation. Administrators will investigate all possible disciplinary situations and assign consequences in a fair and consistent manner in conjunction with the Governing Council policy. The following represents the recommended guidelines in the disposition of discipline situations at TA. Therefore, depending on the circumstances of the behavior or education status, responses may vary from situation to situation at the administrator's discretion.

LUNCH DETENTION (LD) Loss of Extended Lunch Privilege
Lunch Detention will occur for the 40 minutes of lunchtime within the school day. Students' assigned detention will report to the lunch detention supervisor promptly at 12:00. Students will be given 20 minutes to eat quietly at a separate detention table. Students will inform parents by TA email of the detention. After which, they will participate in community service tasks such as cleaning the lunch room, main labs, classrooms, and the outside grounds.
COMMUNITY SERVICE (CS)
Students assigned to Community Service will report to the Dean of Students promptly. Students will participate in community service on-campus or off-campus. Community Service must be assigned or pre-approved by the Dean, Director, or Conflict Resolution Team. Tasks may include cleaning the lunch room, main labs, classrooms, the outside grounds, etc.
MENTOR
Students assigned a mentor will participate in the mentorship program and will be assigned a student and/or staff mentor. Mentors are not always available; alternatives are a referral to a local agency (ie Big Brothers Big Sisters, Non-Violence Works) or to become a mentor. Mentorship is a restorative privilege intended to support and redress harm done.
IN SCHOOL SUSPENSION (ISS)
All in school suspensions will be scheduled at the discretion of the disciplinary team. Students may be required to serve on non-scheduled school days. All suspensions are reported and tracked in the student's permanent school records.
OUT-OF-SCHOOL SUSPENSION (OSS)
Students who are suspended from Taos Academy Charter School are prohibited from being on the campus or in attendance at any school activity or event for the duration of their suspension. A parent meeting to develop or review a behavior plan/contract must occur prior to the student returning to school. Students are required to maintain contact with their advisor and

continue academic coursework during suspension.

OSS WITH HEARING (OSSH)

It is the Director’s discretion to recommend a hearing for student habitual behavior. Expulsion from Taos Academy will be decided in collaboration with the Governing Council, Director, Parent and student.

***Disciplinary action may result in the loss of privileges to attend scheduled trips or events.**

****Taos Academy has a no-restraint safety policy. If a student becomes violent on campus or is in need of immediate removal due to safety concerns, the parent will be notified and the local police department will be dispatched immediately.**

*****If an incident is considered exceptionally flagrant, then a higher consequence, including but not limited to a disciplinary hearing, may be warranted. In some cases with Level III infractions, a DPS (department of public safety) referral may be warranted. In both cases administrative discretion will be exercised.**

Level I			
<ul style="list-style-type: none"> • Notes of apology are required when harm is done to others or the workplace is disrupted. • Parents are notified at the second offence and must meet with staff on the 3rd level 1 offence. 			
Behavior	1st Offense	2nd Offense*	3rd Offense**
<i>Abuse of personal electronic devices.</i>	Device is stored in a backpack, or taken and held by staff for the day. Parent contact. Parent may be asked to recover the device from school Violations are documented to Dean.	Habitual incidences: Device is taken and Parent must meet with Director to recover the device.	Habitual incidences continue, or harmful use: Confiscation, and return of device at the end of the school year (Electronic use policy).
<i>Dress Code Violation</i>	Student asked to change clothing and /or contact parent/guardian by phone. Email or call to parents to describe infraction. Violations are documented to Dean.	All habitual incidences: Students who cannot correct their dress violation will be sent home for the remainder of the day. Headgear may be confiscated and held by staff, Dean, or Director	Students with habitual insubordination will attend a hearing with parents with director, complete OSS, and/or research and CS hours

		for the day and parent pick-up if warranted	
<i>General Disruptive Conduct (profanity, rudeness, dishonesty, insubordination, etc.)</i>	1 Lunch Detention	½ day ISS Detention, 2 Lunch Detentions or CS hours	1 day ISS, Behavior Contract and/or Assigned mentorship
<i>Horseplay (pushing, chasing or inappropriate public display of affection.)</i>	1 Lunch Detention	½ ISS day Detention, 2 Lunch Detentions or CS hours	1 day ISS, Behavior Contract and/or Assigned mentorship
<i>Tardy</i>	Absence given on every 3rd tardy	10 absences results in a truancy report with NM State Juvenile Protection Agencies	20 absences results in relinquishing lottery position
<i>Absenteeism</i>	Recorded absence	10 absences results in a truancy report with NM State Juvenile Protection Agencies	20 absences results in relinquishing lottery position
<p>*Parent notice sent. **Parent meeting with staff, with the exception of Tardy and Absenteeism, which are administrative.</p>			

Level II			
<ul style="list-style-type: none"> • All Level II 3rd Offenses may result in OSSH. • Parents are notified for all Level II offences. 			
Behavior	1st Offense	2nd Offense	3rd Offense

<i>Possession of Weapons</i>	10 days OSSH		
*Taos Academy administration can activate immediate dispatch of the local police department for all Level III offenses.			

Explanation of other policies:

Weapons

For the purposes of school board policy, a "weapon" is any firearm, knife, explosive, or other object, even if manufactured for a nonviolent purpose that has a potential violent use. Additionally defined as a "weapon" is any "look-a-like" object that resembles an object that has a potentially violent use, if, under the surrounding circumstances the purpose of keeping or carrying the object is for use, or threat of use, as a weapon.

Searches

For the protection and security of individuals and property on the TA campus, the search of individuals, including students, their personal effects, desks and vehicles on school property, will be activated as permitted under federal and state law. Such searches may be conducted without prior parental consent or the presence of a parent. In certain circumstances random searches of personal effects, district property (such as lockers and desks) and vehicles on campus may occur, including random searches with the assistance of canines. Any illegal or

unauthorized objects found in any search are subject to seizure. Taos Academy Director can dispatch local Police Department at his/her discretion. Parents will be notified upon dispatch.

Video Surveillance

For the protection and security of individuals and property TA will use video surveillance equipment. TA employs a comprehensive system of cameras which are used to provide a safe and secure educational environment. Cameras are located inside and outside the buildings.

Academic Integrity

Students commit plagiarism when they use someone else's words, ideas, or creative productions as if they were their own. In publications, plagiarism is illegal, and in scholarly work it is unethical. Assignments are plagiarized if they are completed in whole or part by anyone other than the student who claims credit. Any student who allows someone else to copy his or her work will receive the same consequences as the plagiarizer.

- Copying and pasting homework, computer work, test answers, or creative productions of any kind is plagiarism.
- Submitting a paper or signing a name to a creative project that has been originated in any way by another is plagiarism. Students should correct or edit their own work.
- Plagiarism can occur from printed material, the internet, as well as from people, but students can avoid plagiarism by precisely quoting borrowed material and carefully crediting the source.
- Students must submit their own work for credit.
- Students will be asked to sign an Academic Integrity pledge at the start of each semester.

Electronic Devices

TA is committed to providing a safe, positive and productive learning and working environment. The use of Electronic Devices increases lab disruptions and results in an increased possibility of inappropriate communications. The term "Electronic Devices" shall mean any and all devices which accomplish their purposes electronically and include, without limitation, cell phones, pagers, electronic emailing devices (e.g., Blackberry), radios, tape players, CD players, DVD players, wireless speakers, video cameras, iPods or other media players, laser pointers, portable video game players, personal laptop computers, cameras, and any device that provides a wireless, unfiltered connection to the Internet.

Consequently, the use of any and all Electronic Devices by students during the school day, whether on-campus or during a school-sponsored event must have prior approval. This means students asks for the permission of the staff member present before using these device. This means staff sanction this use.

Cell phones are generally allowed for use during Lunch, Recess, and before / after school hours.

The “school day” shall mean the normal hours of operation of the school. While students are not prohibited from possessing Electronic Devices, unless otherwise prohibited by law or policies, rules or procedures, the Electronic Devices when not approved for use must be turned “off” and stored in a student’s backpack or purse, or vehicle. *This Policy allows for the sanctioned use of Electronic Devices by teachers, or students under the direct supervision of their teacher for educational purposes, and for contact to parent for medical reasons.*

Use of Electronic Devices in violation of this policy shall result in the confiscation of the Electronic Device. After the first offense, the student’s parent may recover the Electronic Device from TA staff, dean or administration office at the end of the school day. After the second offense, the student’s parent/guardian shall be notified that the student has twice violated this policy and that the parent/guardian must recover the Electronic Device from the TA administrative office. After the third offense, the Electronic Device will be confiscated for the remainder of the school year. Electronic Devices that are not recovered at the end of the school year may be disposed of by TA. A student who violates this policy more than two (2) times during the school year also may be subject to discipline for engaging in willfully disruptive conduct.

TA shall not be liable or responsible for the loss of or damage to any Electronic Device brought to school and / or confiscated from a student pursuant to this policy.

PDA-Public Display of Affection

PDA or public display of affection is defined as the show of affection between two people on Taos Academy campus.

Appropriate PDA: Holding hands, less than 3 second hug, kiss on the cheek.

Inappropriate PDA is defined as any show of affection beyond those listed above.

Skateboards/Rollerblades/Scooters/Roller-shoes/Bicycles

Because of concerns for safety and security, skateboards, shoes with wheels, and rollerblades are not to be used at any time on campus. Bicycles shall be dismounted once on campus and secured to one of the bike racks provided. TA is not responsible for any loss, theft, or damage of skateboards, rollerblades, bicycles, etc. brought onto campus. Bicycle and skateboard use to and from school requires use of a helmet (effective July 1, 2007 - state law).

Habitually Disruptive Behavior

Habitually disruptive behavior is defined as a student who fails to comply with policy or is a disruption in the classroom, on school grounds, in school vehicles, at school activities or events

at least five times during the school year for behavior which is initiated, willful and overt and which requires attention of school personnel to deal with the disruption.

Sexual Harassment/Misconduct

Sexual harassment regarding student-to-student, adult-to-student and student-to-adult conduct means unwelcome or unwanted conduct of a sexual nature (verbal, nonverbal, or physical). Any sexual harassment should be reported to a staff member immediately.

Bullying (On Campus or Cyber-Bullying)

Bullying is an act of aggressive behavior in order to intentionally hurt another person, physically or mentally. Bullying is characterized by an individual behaving in a certain way to gain power over another person. Bullying behavior includes name calling, [verbal](#) or written abuse, exclusion from activities, exclusion from social situations, [physical abuse](#), or [coercion](#). Bullying will not be tolerated at TA.

Destruction of School Property

Students must respect the Taos Academy Charter School property. Current replacement price is imposed on any lost or excessively damaged equipment or educational materials. Grades and Transcripts may be withheld for any delinquent accounts.

Health and Wellness

Students who experience health problems during the school day **must report to the administration office**. Students are evaluated by the staff for emergency health problems. Students will be assessed and an attempt to reach the parent will be made. Attempts to reach a parent will always occur when a health problem exists or an injury is sustained during the school day. If the health office staff has assessed the student as able to remain in school and a parent cannot be reached, the student will be returned to class. Parents or other designated emergency contacts must pick up the student from school and sign them out in the office. Parents are requested to report any serious injury or ongoing health conditions that occur throughout the school year to the health assistant or director to support educational success and recovery. For severe illness or injury cases, Holy Cross Hospital will be dispatched.

TA Policies in accordance with the New Mexico State Department of Health, Office of School Health are as follows:

- Other than metered dose inhalers, NO medications are to be carried by students on campus. This includes both prescription and over the counter medications.
- Parents who wish to have over the counter medications available for distribution to their student during the school year must obtain an over the counter medication form from the administrative office and return it with the medication in the original

container. The medication will be provided as needed to the student in the administrative office.

Students who require prescription medication during the school year must obtain a prescription form. It must be filled out by the prescribing Physician and the lower parent release part signed by the parent. It must then be returned with the medication in the original prescription container and the script must match the Physician orders.

Prescription medications will be given within one hour of the time due and students will sign for their dose. This is assisted self-administration. When students fail to present to the office for their medication, every attempt to locate them and provide it to them will occur. However, due to emergencies this may not always be possible. If your student consistently has to be called to the office for medication, the health staff will request a parent meeting with you to determine the best solution to this problem. When a student has run out of medication, the bottle will be sent home with the student and the parent will be called. Parents should bring their students' medication to the office at the start of the school day when possible.

Student caught in possession of either prescription or over the counter medications during the school day may be subject to Level III disciplinary measures. Students who either give or sell prescription drugs or over the counter medications to other students on campus will be subject to Level III disciplinary measures under selling, distributing or exchanging an illegal substance. It is imperative to understand that both over the counter and prescription drugs have different effects on individuals and could cause great harm or even death when given to someone for whom it was not intended.

Prescription Medications and Over the Counter Medication will not be kept year to year. Students or parents must pick up the medications in the health office by the last day of school. All medications left at school will be discarded on the last day of school. Physician orders for medications expire at the end of the school year, as do over the counter parent permission slips.

Special Education

Taos Academy will provide special education services in accordance with mandates of law, the Public Education Department, and Taos Academy Special Education Policies and Procedures Manual. Please see Special Education policy and procedures for more detail.

****All student handbook policies are abbreviated from Taos Academy Approved Policy. For more detail on a particular process or policy please refer to Taos Academy Policy and Procedures available at Taos Academy.****
