Loaner devices are distributed **based on demonstrated need**, and availability is limited. You will be notified if a loaner device is assigned to you.

Please note: The key points outlined below are reminders of important responsibilities already covered in the *Responsible Loaner Computer Use Agreement for Students & Parents*.

I will not leave my laptop unattended, unless it's locked in a secure place. My family may be fully responsible for the replacement cost should my laptop become lost or stolen due to "gross negligence" as determined by administration.		
I understand that my family is responsible for damages that occur to the laptop and will pay for repair or replacement of the device.		
I understand the storage-drive will be wiped and restored to original configuration for some repairs and my data should not be saved there.		
I will keep my laptop lid fully closed whenever it is moved from one point to another.		
I will not record pictures, audio, or video without consent of school personnel.		
I understand that permanently altering the computer will result in my family being responsible for repairs or replacement of damaged parts.		
I will report any problems with my computer to a teacher or Technology Director in a timely manner and follow general maintenance alerts from school personnel.		
As a student and parent/guardian of a student at Taos Academy Charter School, I understand that I am being issued a computer and that I am responsible for the care and safekeeping of these items. I also understand that these items are for school use, and therefore will require me to abide by a certain set of rules and standards pertaining to these items.
